## Survey #8: Share Your Thoughts on DEI in Education

Verified voters: 128 (Total: 149) From 2025-04-28 to 2025-05-31

Question 1. Have you heard about Diversity, Equity, and Inclusion (DEI) initiatives in educational institutions in recent years?

Question 2. Do you understand the meaning of "Equity" in the context of DEI initiatives?

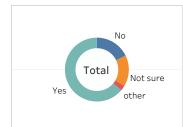

Question 3. Are you aware that in 2020, California voters rejected Proposition 16, reaffirming Proposition 209's prohibition on considering race, sex, or ethnicity in public employment, contracting, and education?

Question 4. DEI initiatives often aim to promote balanced representation by considering identity factors such as race or gender. Do you support this approach?

Question 5. Merit-based policies focus on evaluating candidates based on their individual qualifications and contributions, regardless of group identity. Do you support this approach?

Question 6. The Trump Administration has mandated that U.S. schools and universities eliminate DEI programs, with potential loss of federal funding for noncompliance. Do you support this mandate?
