

Survey #13: CUSD Fiscal Stabilization Plan

Verified voters: 102 (Total: 135) From 2025-10-31 to 2025-12-01

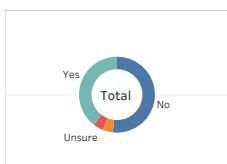

Question 1. Are you aware of CUSD's current budget deficits—a \$31+ million shortfall in FY 2024-2025 and a projected \$11+ million in FY 2025-2026?

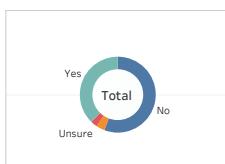

Question 2. Are you aware of the district's fiscal stabilization proposals, which include potential changes to middle school electives and the Transitional Kindergarten (TK) program?

Question 3. Are you aware that the proposals target \$4–5 million in combined savings from middle school electives and TK adjustments?

Question 4. Are you aware that CUSD ensures at least one elective for every middle school student, but in FY 2025-2026, all 6th–8th graders currently receive two electives (an expansion from prior years)?

Question 5. Which middle school electives option do you support most?

Option 1: 7th/8th graders may opt for a second elective; 6th graders receive one. (Projected: ~18 FT..	Total	47	
	Verified	38	
Option 2: All 7th/8th graders receive two electives; 6th graders receive one. (Projected: ~13 FTE reduc..	Total	25	
	Verified	18	
Option 4: All 6th/8th graders may opt for a second elective (voluntary). (Projected: Savings TBD; aligns..	Total	22

Question 6: Are you aware that TK is a new statewide pre-K program for four-year-olds, but as a Basic Aid district, CUSD receives no additional state funding for it—leading to higher per-student costs?

Question 7. Which TK program option do you support most? (Current enrollment: ~720.)

Option 2: Full-day classes; cap enrollment at 360 students. (Projected: ~36 teacher/IA positions eliminated; ~\$3.2M savings)	Total	43	
	Verified	27	
Option 1: Half-day classes; no enrollment cap. (Projected: TK staff to 60% contracts; ~\$2.5M savings)	Total	30	
	Verified	25
